

Charities – are you looking for funding?

Need help finding funding? Do you know a local charity, voluntary or community group that needs help looking for funding?

Then tell them about this :

Edinburgh4community www.edinburgh.gov.uk/funding a web service that identifies sources of funding for your group's specific needs. It quickly searches through hundreds of Government, Lottery, charitable trust and other funds available on a European, national, regional and local basis, to provide a list of grants suitable for you.

Edinburgh4community will continue to email you new sources of funding as they are made available saving you time and effort.

Application forms and contact details are also provided making the application stage easier too.

Brought to you by Edinburgh Libraries, this service is free and easy to use.

Full user instructions can be found
