

Mother's Day – spritz down to Prezzo

Looking for something special for Mother's Day this year? Look no further than your local Prezzo with its new spritzer menu. With a mixture of classic spritzers and bubbles to sip, savour and share alongside all your favourite Prezzo dishes, it's the perfect little treat for Mum (and you) to enjoy.

Priced at £5 each, Prezzo's light and refreshing Spritzers include the iconic Italian *Aperol Spritz* and the sweet and refreshing *Pimm's Spritz*, plus a selection of classic bubbles – with the deliciously sweet *Prezzo Royale* which elegantly combines Prosecco and Chambord; fresh and fruity *Gancia Rosé* for some gorgeous pink bubbles; and chic and simple *Prosecco*. Be sure to book, they are only available on Mother's Day, 31 March.

To help mum decide what to have, Prezzo has the perfect drink pairing recommendations for all the signature dishes throughout the Mother's Day set menu. The classic Bruschetta goes with the equally classic *Aperol Spritz*, whilst the well-loved Spaghetti Carbonara is perfectly paired with a glass of *Gancia Rosé* to bring a true taste of summer to the table.

Because mum is taking a day off from any cooking and baking on Mother's Day, it's the perfect excuse to delve into one of Prezzo's delicious desserts, the set menu is bursting with delicious treats such as Sticky Toffee Pudding and Panna Cotta, plus the Salted Caramel Chocolate Tart, which is not

only a firm favourite, but also goes delightfully well with a *Prezzo Royale*.

Prezzo's set menu is as kind to your cash flow as you are to Mum. Two courses are priced at £16.95 and three at £19.95, and if that wasn't good enough, both include a glass of Prosecco to celebrate Mum in style.
