Love Music Community Choir concert – 11th March 7.30pm
Celebrating the start of its 7th year, **the largest community choir in the UK – Love Music Community Choir** – is presenting its spring concert at the **Usher Hall on Monday 11th March**. Songs by legendary 1980s Manchester rock band James contrast with ancient music from Swedish fishwives, songs from the German cabaret tradition, and a ground-shaking, spirit-soaring hymn from the American Sacred Harp tradition. Love Music's 300-strong Community Choir continues to defy expectations, performing a mix of iconic tracks and lesser known musical gems, in their own joyful and exuberant style. This exciting 45-minute event will be directed by award-winning composer and educationalist **Stephen Deazley**, and accompanied by Scottish musicians **Steve Hamilton** on piano and **Daniel Crichton** on guitar. Every term, a choir member nominates a local charity

to raise money for; there will be a bucket collection at the end **of the event to raise funds for Scotland's Charity Air Ambulance.**
