

Bring your bear for free entry to Royal Yacht Britannia

For the month of April, children bringing their favourite cuddly toy will get free entry to The Royal Yacht Britannia in Leith.

Step aboard Britannia this Easter to experience Scotland's Best Visitor Attraction, touring the five decks with the adult or children's complimentary audio guides to see the State Apartments and crew's quarters as well as the gleaming Engine Room.

Spot Clarence the cuddly corgi and his friends hiding throughout the tour route, and all ages will enjoy trying on the uniforms in the Petty Officers' Mess and posing for a #CorgiSelfie.

Head to the Royal Deck Tea Room to enjoy sea views with delicious soups, sandwiches, cakes or scones, all made in the Royal Galley. Don't forget to look out for the 11-foot LEGO replica of Britannia!
