An international cast of over 30 artistes, direct from the AIA Great European Carnival in Hong Kong, will entertain you in a production staged in the fully-heated brand-new 1,000-seat Italian big top, equipped with the latest theatre-standard lighting and sound effects!

It's even bigger and even more spectacular. From the producers of the Chinese State Circus, and brains behind Sky One's Cirque de Celebrité.

The world class Havana Troupe, direct from Cuba, return with 2 new brand-new acts including the sensational 5 handed springboard and the unbelievable Russian bar. Jacqui and Brandon, who appeared on TV two years ago when they got engaged at Gandeys Circus during rehearsals, premiere their brand-new stunning act on the aerial silks.

Three motorbikes roar as they race around in the iron thunderdome in the centre of the circus ring at 45 miles an hour and the G Force of a fighter jet. Making his debut in the UK, all the way from Tanzania... 'bendy man' Aimiri Kisingaji, an incredible young contortionist accompanies the electrifying adrenaline-fuelled excitement of the mighty African Warriors... topped off with Europe's favourite clown Chico Rico, who returns by popular demand to create mayhem and mirth.

You are promised thrills, excitement and laughter for the entire family, as you're elevated to new heights of world class live entertainment.
