

Hibs season ticket sales on par with last season's record breaking numbers

Hibs are on course to equal or surpass last season's record number of season ticket sales.

Following Friday's Early Bird deadline the club have reported that sales for next season are already in excess of 9500. This number is identical to the same time last year.

Laura Montgomery, Head of Sales & Sponsorship, said: "We appreciate at this time of year that everyone has different financial commitments, whether it's holidays or bills to pay in general.

"It's something Leeann and Paul have already referenced and it's true so it never ceases to amaze us how committed our supporters are to the club. "We're pleased with the total to date and, it goes without saying, that we would love to top last year's total to give Paul and Robbie the best platform we

can to build on their early success.”
