

Inner City schools football tournament – enter now

All Star Events is hosting the 1st Inner City schools football tournament at The Oriam in Edinburgh on Tuesday 21 May 2019, from 10.00am until 2.00pm.

This group has been formed by Edinburgh College Year 2 HND Students.

Sixteen Primary School teams from all over the Lothians will face each other on the day at The Oriam. During the tournament there will be two Cups to win based on school team abilities, allowing all levels of teams to participate. The winning teams will receive a trophy and all players will take home a participation medal.

This event has partnered with “Sporting Start” which is a charity that enables young people in Edinburgh and the Lothians to experience and enjoy sport.

They help individuals and groups who face financial or other barriers which limit their opportunity to access or participate in sport. They aim to provide funding support to help with, for example, coaching, courses, events, facilities and sports equipment.

There are a limited number of spaces still available to primary schools and if you would like further details, or wish your school to participate, please contact the organisers on allstarevents.football@gmail.com or on 0131 297 9625.
