

Hibs Development squad take on Huddersfield tomorrow

The Hibs Development Squad's friendly against Huddersfield Town U20s at the club's Training Centre on Tuesday 14 May will now kick off at the earlier time of 12:30pm.

It is the last game of the 2018/19 season for the current side and they will be looking to round it off with a victory over the English Premier League side's youngsters at East Mains.

Last week, Hibs ran out 3-0 winners over Middlesbrough's under-23 side, with the goals coming from Sean Mackie, Fraser Murray and Ruari Paton. Entry to the game is via donation to the Hibernian Youth Academy.
