

Holiday home in Perthshire could be sweet

CHALET JASMINE IS HOLIDAY HOME OF THE MONTH AT PARC ROYALE

Parc Royale Holiday Park in Blair Atholl is offering a stunning holiday chalet within its secluded “Secret Garden” development.

With a secure gated entry, “Secret Garden” is within a short distance of Parc Royale’s Steadings spa, with its pool and gym.

Priced at £146,795, this high quality holiday home has accommodation more akin to a five star hotel, with a sizeable master bedroom with en-suite, and a five foot luxury bed. The chalet also offers an additional bedroom, family bathroom, fully fitted kitchen with integrated appliances, and expansive open plan lounge, with two Chesterfield sofas. The property is fully furnished and decorated throughout, making it the ideal turnkey property to which to escape.

One of the most desirable features of Chalet Jasmine is its vast balcony with built in BBQ area, wrapping around two sides to give amazing views of the surrounding countryside.

“Holiday properties such as Chalet Jasmine in The Secret Garden are new for 2019,” said Parc Royale Managing Director, Stuart Richardson. “It’s certainly the most impressive and luxurious of the chalets we currently have available, complete with its own private parking. It’s a bolthole property in the truest sense of the word, an indulgent and luxurious haven on our well established and well run park.”

“Chalet Jasmine is a complete one off, so please come and view as soon as possible – you could be enjoying the summer here in beautiful Highland Perthshire,” added Stuart.
