

Speedway – Harrisons backing Scottish Open

The Harrisons of Peebles Scottish Open Championship on Friday, June 7 (7.30pm) will feature only 12 riders rather than the traditional 16.

The line-up will be confirmed in the next few days and riders will battle over 12 qualifying heats to progress to the final stages.

The shortened qualifying route is expected to make the competition more ferocious than ever.

The Jack Young Memorial Trophy is at stake and Monarchs bosses have a number of sponsorship packages available.

Rider Sponsorship includes admission, championship magazine, VIP hospitality including a complimentary bar.

Heat sponsors can expect a championship magazine and VIP hospitality for two people which includes a buffet and complimentary bar.

Tyre sponsorships are also available including admission and championship magazine for one and the opportunity to meet your rider as you present a tyre to them.
