

# **Actively travelling to The Royal Highland Show with tram and bike**

**Using Edinburgh Trams to get to the show can mean a short walk to the showground.**

But Just Eat Cycles are one step ahead with bikes placed at the Ingliston Park n Ride Tram stop which you can then cycle to the East or West gates. And you can do the same thing in reverse.

An innovative idea – look out for us on our bikes later when we leave the showground!
