

Classic vehicles in the West End

Edinburgh's West End is hosting the perfect family day out next weekend.

From 10.00am – 4.00pm on Saturday 15 June 2019 there will be an exciting and local collection of classic vehicles on William & Alva Street.

Visitors can enjoy the vehicles while local bands, artists and singers provide entertainment throughout the day and the kids corner will keep your little ones entertained with face-painting and other activities.
