

Hearts season ticket sales reach 11,500

Hearts have announced that season ticket sales for season 2019/20 have reached 11,500.

There had been problems with the financial arrangement which enables fans to spread the cost of their season ticket but with a new finance provider in place this has now been resolved.

Hearts fans wishing to secure a seat for the new campaign can do so via the following channels:

Meanwhile, Hearts have confirmed that French midfielder Malaury Martin has left the club by mutual consent. Martin has been out of favour for some time at Tynecastle and he made just 21 appearances in maroon in two and a half years. He spent the first half of last season on loan at Dunfermline Athletic.

Hearts have also announced a pre-season friendly at newly-promoted Championship side Arbroath. The game will take place at Gayfield Park on Saturday 29th June 2019 with a 3pm kick-off.
