

# Hibs announce date for release of new away strip

The new Hibs purple and green away kit for season 2019/20 will be available from 9am on Saturday 13 July.

The club will sell the strips without the Hibernian Community Foundation logo pre-printed, but fans who wish can add it for £5.

All profits from that will go straight to the Hibernian Community Foundation.

Supporters who prefer to wear the strips with no sponsorship logo can still donate to the Foundation via the 'Kit for Kids' initiative.

The donation will be used to buy new kits for young supporters who are not in a position to purchase one.

The Clubstore will be open from 9am-6pm, then again on the

Sunday from 10am-5pm.
