

# Acclaimed West End show comes to Capital

**The critically-acclaimed West End musical Everybody's Talking About Jamie is coming to Edinburgh as part of a UK tour from March 2020.**

Its smash-hit show has been on London's West End and comes to the Capital's Festival Theatre on March 3, 4 and 5 next year.

Tickets for Everybody's Talking About Jamie are now on sale and we have a review from the West End on this site by Nigel Duncan.

Everybody's Talking About Jamie follows Jamie New, a 16-year-old living in Sheffield.

He doesn't quite fit in and is afraid of the future and the prejudice he may face.

Thanks to his loving mum and strong group of friends Jamie overcomes prejudice, beats the bullies and steps out of the darkness into the spotlight.

The musical features an original score by lead singer-songwriter of The Feeling, Dan Gillespie Sells and writer Tom MacRae (Doctor Who).
