

Edinburgh Festival Fringe 2019 – THE KAGOOLS: CIRQUE DU KAGOOL

Multi award-winning UK physical comedy duo, The Kagools, bring their exciting new show 'Cirque du Kagool' to the Edinburgh Festival Fringe.

Roll up! Roll up! And step into a fantastical world of ridiculous circus stunts, inspired illusions and impromptu strong woman competitions. How will they get over their vertigo for the trapeze? What are we going to do now the ringmaster has passed out? Why is there a darts competition in a circus?

Join The Kagools as they continue to propel silent comedy into the 21st Century with their trademark anarchic antics.

It's a circus, but not as you know it.

"See The Kagools now before they make it big on TV" – The Advertiser (Adelaide)

Discussing their forthcoming Edinburgh run, The Kagools said: "Brand new show Cirque du Kagool is our fourth, most ambitious and idiotic show yet. We learnt hula-hoop, chin balancing and forward rolls for this circus extravaganza, it's death-defying stuff. Better see it before one of us gets a blister."

MORE ABOUT THE KAGOOLS – ENCHANTING, BOLD, HIGH-ENERGY LAUGHS FOR EVERYONE: Since their first full-length show in 2014, The Kagools quickly gained fans far & wide with their utterly unique trademark brand of wordless (but far from silent) spontaneous, anarchic buffoonery. An equally sought-after headline act both at home & overseas, their shows have toured extensively to critical acclaim.
