

Edinburgh Fringe 2019 – Gravity and Other Myths perform ‘Backbone’

**A high-octane spree of physical virtuosity,
Backbone tests the limits of strength: physical,
emotional, individual and collective.**

Staged with a deceptively DIY aesthetic and dispensing of trickery and distraction, this is circus that goes straight for the jugular and leaves no viewer unmoved.

Backbone is the culmination of all that's gone before: a celebration of human connectedness and the meaning of strength, its athletic appeal is run through with a conceptual brilliance that elevates it to a new level.

Sexy, sincere, raw yet disciplined, Backbone is proof you can't do the impossible without spending a little sweat.

Gravity and Other Myths are performing at Underbelly, Bristol Square on –
