

Edinburgh Gin is 'the best'

Edinburgh Gin Elderflower Gin Liqueur (20% ABV) has been named the industry's 'best gin liqueur' at this year's Spirits Business Gin Masters.

Praised by judges for its 'authentic elderflower flavour', the popular gin liqueur was awarded a coveted 'Master' medal; the only liqueur in the competition to receive the top honour.

Launched in 2012, Edinburgh Gin's Elderflower Gin Liqueur is a popular choice with sparkling wine and as a twist on classic summer cocktails like Tom Collins and Mojitos.

Priced at £16, Edinburgh Gin's Elderflower Gin Liqueur is available at supermarkets UK-wide, Amazon and online at www.edinburghgin.com
