

Famous Five and South stands closed for Betfred League Cup ties

Tickets for Hibs' two Betfred Cup matches at home to Alloa Athletic and Arbroath are now on general sale, with a Family Ticket Package available to both Season Ticket holders and non-Season Ticket holders for the games.

Due to work being completed on upgrading the turnstiles around the ground, the Famous Five (Upper and Lower) and South (Upper and Lower, East side) will be closed for the match.

Hibs supporters will be able to purchase seats in the West (Upper and Lower) and East Stands, with opposition supporters in the South Lower (West side).

As a result, there will be no seat reservation period for these two matches for Season Ticket holders, with all tickets available on a first-come, first-served basis.

Season Ticket cards will not be in use for these matches – all tickets will be in paper form (from the Ticket Office or print at home) and mobile ticketing (please note mobile ticketing is not currently available, and the club will confirm details in due course).

Tickets for both games can be purchased online, by calling 0844 844 1875 and selecting option 1, or visiting the Hibernian Ticket Office in person during opening hours.

Season Ticket holders will be eligible for money off their ticket and they should sign into their e-ticketing account to be able to see their discounted prices for the matches.
