

# Final Tickets for 'LA Phil at Tynecastle' on Release Tomorrow

Edinburgh International Festival releases its final wave of tickets on Friday, 26 July for the completely free 15,000 capacity Aberdeen Standard Investments Opening Event: LA Phil at Tynecastle. The tickets are available from 10am at [www.eif.co.uk](http://www.eif.co.uk).

The Opening Event sees the LA Phil, one of the world's leading orchestras conducted by the legendary Gustavo Dudamel, perform some of the best-loved film music in front of a vast crowd at the iconic Tynecastle Stadium, home to Hearts football team.

Due to an earlier start time, informal environment, world-famous and widely accessible musical programme, and significant capacity, the concert is expected to attract a mix of families, music lovers, and first-time classical music audiences.

To accompany this world-class event, the Festival's Learning and Engagement team has devised an ambitious community engagement programme. It saw the team working with local community groups and primary schools to help break down the barriers to attend the concert and engage with the event.

Through one project in Gorgie and Dalry, local primary school pupils had the opportunity to design their own stars in the style of those in Hollywood's Walk of Fame, each celebrating the individual children's talents. These will be unveiled in Tynecastle Stadium's concourse on 2 August. Gustavo Dudamel himself has a Walk of Fame star which was unveiled in January 2019 in the presence of composer John Williams.
