**'The Big Yin' brings stand-up comedy tour to the Big Screen**

**Legendary Scottish comedian, Billy Connolly, is bringing a snapshot of his career in comedy to the big screen, with an exclusive film performance of Billy Connolly: The Sex Life of Bandages.**

Hailed as the UK's most influential comedian of all time, Billy Connolly's final stand-up tour will be shown in Vue Edinburgh Ocean and Vue Edinburgh Omni on 10 October 2019, as part of a one-night-only screening.

Acting as a lasting tribute to his life and legacy, the brilliantly witty routine from his Australian tour in 2015, dictates a riotous journey filled with outrageous tales and blistering observations of everyday absurdities.

The whip-smart screening will muse upon Connolly's career in comedy, which was filmed exclusively for cinema audiences prior to his Billy's retirement in 2016 following his diagnosis with Parkinsons Disease.

Connolly has toured worldwide continuously for 50 years, performing to an accumulative audience of over 10 million.

Johnny Carr, Event Cinema Manager at Vue commented: "We are delighted to bring this exclusive screening to venues across the UK.

"The Sex Life of Bandages is a big screen tribute to an iconic funny-man whose sharp wit and anarchic storytelling is still as hilarious as ever."

Tickets are available now at [www.myvue.com](http://www.myvue.com) or at your local venue.
