

This autumn book your place at the Sausage and Cider Fest

Expect a great array of amazing ciders and sausages to indulge in at the Sausage and Cider Fest on Saturday 19 October 2019 at the amazing Corn Exchange, Edinburgh.

There will be a huge variety of delicious sausages, definitely not the standard bangers you would find in your local supermarket. We source the finest butchers' sausages and those with a little twist! Enjoy incredible live music with our in-house band and live DJ acts, whilst enjoying a pint or two of the delicious craft ciders and beers on offer.

The organisers say they love real cider and scour all corners of the UK for the finest cider money can buy – then bring it for you to taste, savour and enjoy with your friends, alongside great sausages and fine music. Non-cider drinkers fear not, there's not just cider at this event! With a fantastic craft beer, a gin bar, prosecco bar and soft drinks available, there really is something for everyone.

The event will be hosted in sessions; each session will be 5 hours each. 12:00 – 17:00 & 18:00 – 23:00

Tickets from just £10

Strictly 18+ / ID Will be Required

Book now for a day of indulgence and experiences you may never have seen before.
