

Dalkeith Country Park holds its very own 'Dogs Day Out'

Dalkeith Country Park has announced that it will be holding its very own 'Dogs Day Out' from 11am – 4pm on Saturday 31st August and all four-legged friends are invited.

It will be a fantastic opportunity to discover lovely local dog businesses, make friends with other dogs (and their owners!), and have fun in the process.

There'll be obstacle courses to keep the pups entertained, a sizzling BBQ (with tasty treats for pooches too) and lots of incredible suppliers and products – from accessories and dog treats to grooming and doggy day care.

Included in the exciting line-up of suppliers, we'll be welcoming Sergeant Puppies Lovely Dogs Club, Leon Anderson Art, Cailynn Neil Pet Photography, Caledonian Canine Massage, Dog Furiendly and many more.

Tickets cost just £2 (children and pets go FREE) and must be booked online in advance from: <http://bit.ly/203E2i1>
