Edinburgh Fringe 2019 — ISH Dance Collective bring 'Elements of Freestyle' to the EICC

In this adrenaline-fuelled explosion of extreme urban sports, breakdance, music and theatre, ISH Dance Collective create breathtaking poetry in every single moment.

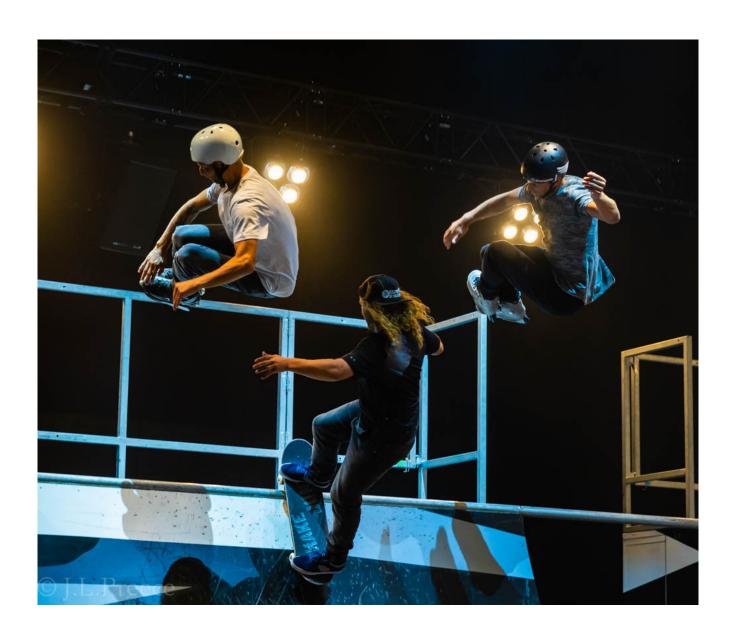

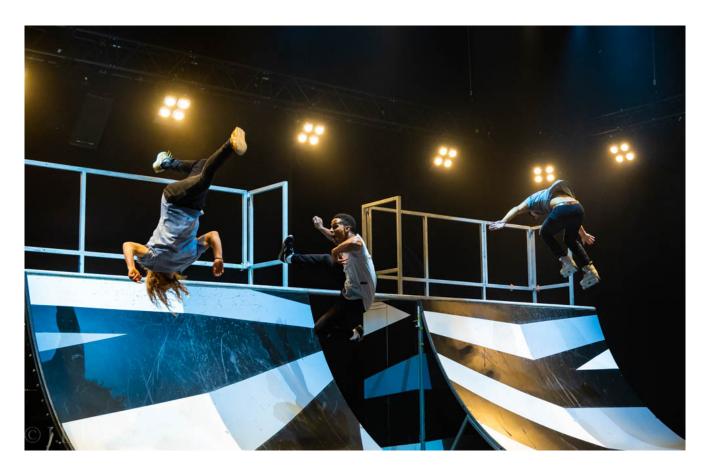

Elements of Freestyle is about those redeeming seconds that make a complicated trick ultimately succeed; about the freestylers' total focus, the ecstasy and feeling of complete

and total freedom.

In a spectacular fusion of breakdance, inline skating, skateboarding, freestyle basketball, BMX and freerunning, the audience discovers the artistry behind the trick. Simultaneously both exquisitely beautiful and heart-poundingly exciting.
