

# Edinburgh Fringe 2019 – LiT Circus Return to the Fringe with ‘Hotel Paradiso’

Irresistibly colourful, loud and fun show for all the family.

Thrillingly spectacular circus skills, physical comedy, clowning, theatrical storytelling and slapstick combine in this follow up to international hit 'The Hogwallops' from good old fashioned contemporary circus company LiT.

A rundown hotel becomes a physical playground for the six multinational highly skilled acrobats, clowns and jugglers.

Madame and the charming staff of the quirkily ineffective Hotel Paradiso battle to save their home and livelihood from the dastardly banker.
