

Free event could help cut your energy costs

If you want to improve your sustainability and reduce energy costs and don't know where to start then a free networking event might be the answer.

Change Works in Penicuik will host the event on Wednesday, October 9 (noon to 2pm) in Penicuik Town Hall, 33 High Street, Penicuik EH26 8HS.

You will hear about the free support services and funding available to your business, find out ways to save money and improve environmental performance and get help and advice from expert speakers.

Attendees will also be able to network with like-minded businesses in the event supported by organisations including Midlothian and East Lothian Chamber of Commerce, Bright Green Business, Penicuik Heritage Regeneration and Resource Efficient Scotland.

Book your free place online at <http://bit.ly/PenicuikBusinessLunch> or email penicuik@changeworks.org.uk or call 01968 620 283.
