

Hibs' fans' group appeal for donations to stage derby display

Hibs' fans' group ' Since 1875' are 'passionate about bringing vocal and visual support to Hibernian Football Club'.

Their colourful displays and backing for the team at Easter Road and on the road is much appreciated by the team.

Now their members are looking to fundraise for a special display in the forthcoming Edinburgh Derby.

They've already had a tremendous response from Hibs supporters but are keen to push on as they work towards a target of £1000.

Donations can be made via the following methods, with Since 1875 pointing out that details have changed from previous fundraising attempts.

Bank Transfer: 04-00-04, 37185811

PayPal: Sincel875Group@gmail.com

Beyond their displays, 'Since 1875' are also hoping to run buses to away games and are always open to those keen to lend their support and voice to their efforts to support the team.
