

# Watch Scotland v Japan live at Edinburgh's own Caledonian Brewery

[Harajuku Kitchen](#) has teamed up Scottish charity, [School of Hard Knocks](#) for a Rugby World Cup fundraising event being held at [The Caledonian Brewery](#).

The award-winning authentic Japanese bistro is the official caterer of the Scottish Rugby team.

Ticket holders will be treated to an authentic Japanese banquet using recipes passed down through generations, from sushi to Harajuku's sought after udon noodles- all served in one of Edinburgh's oldest breweries. The event is sponsored by Heineken and there will be a wide range Scottish beers and spirits including Glen Moray whisky available to sip during the match. Special guests and an exclusive auction and raffle will take place throughout the day.

All proceeds of the event go to School of Hard Knocks, a social inclusion charity, which uses the values of rugby to tackle unemployment, crime and poor health.

Tickets are priced at £45 individually or ten for £430.
