

Fancy celebrating the Day of the Dead? Head for Tigerlily

Tigerlily is transporting the Día de Muertos spirit to Edinburgh by transforming their iconic surroundings into a Patrón Día de Muertos wonderland.

The Greenroom is draped in colourful and floral creations to accompany their bespoke Patrón Día de Muertos cocktail menu. In an ode to the long-held traditions of the holiday, guests can write messages to loved ones on photobooth pictures and place them on Tigerlily's Día de Muertos themed tree.

Fully immerse yourself in the celebration with a Día de Muertos inspired dinner at Tigerlily on November 2nd
