Library Week — Celebrating Libraries in a Digital World

There's lots going on in libraries this week with digital drop-ins to help you get started using library online services, digital inspired craft sessions and lots more!

Here is a taster of some of the events which begin on Monday

Wester Hailes Library
[Wester Hailes Library](#)

Friday 11 October 2019
3.00 — 4.00pm
Stop Motion Animation
Learn the art of stop motion animation. We'll show you how to create your own animated movies as part of our FUNgineers
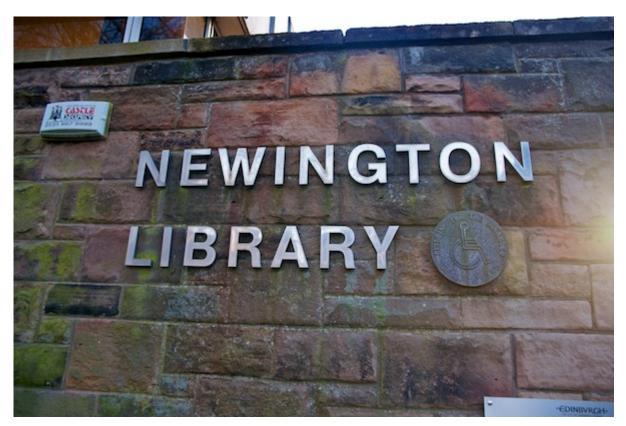

programme.
(6 – 10 yrs)

[Drumbrae Library](#)
Friday 11 October
2.00 – 4.00pm
Game time taster session using playstation, VR gaming console
virtual reality or Minecraft.

[Newington Library](#)

Monday 7 October
5.30 – 7.00pm
Game Programming
Ever wanted to know how to make your own computer game?
Curious about what computer programming is? Join us for a
quick taster session and tinker with some games to see exactly
what is going on under the hood.
(Ticketed, 8+)

Wednesday 9 October
3.30 – 4.30pm

Building With Little Bits
Build electronic circuits and crazy devices with Little Bits.
A light that automatically comes on in the dark? A musical
synth keyboard? A sound activated fan that cools you down when
you shout at it? Anything is possible! Just snap the pieces
together and create.
(8+)

[Kirkliston Library](#)
