

# Rocky Horror at SKYbar for Halloween

## Cult classic sing-along – Grab your suspenders and feather boas for a night of Rocky Horror in the SKYbar

This Halloween sing and dance-a-long at a party when the cult classic Rocky Horror Picture Show will be shown at a film screening.

There will also be a drag show at the rooftop SKYbar at DoubleTree by Hilton Edinburgh City Centre as part of the event from 7.00pm-midnight on Thursday 31 October 2019.

Guests are urged to warm up their vocal cords and dust off their dancing shoes for the colourful evening with a two part drag show from Sasha Blaze starting at 7.30pm. Fancy dress is strongly encouraged but there will be props provided to encourage maximum audience participation throughout the night.

This event is strictly over 18s only and tickets must be purchased in advance.
