

Soaring high this Christmas

BUSINESS "BALLOONS" FOR WEBSTER ADVENTURES

Scotland's Premier Hot Air Ballooning provider, Webster Adventures, based less than an hour's drive from the Capital in Kinross, has launched its 2019 online festive gift vouchers, together with a new online bookings system, www.websterbookings.co.uk, so that those receiving the gift can simply and easily book a slot in which to enjoy it.

A truly unforgettable experience, the ballooning can be enjoyed in the evening sunset, or the early morning light, and will provide a new appreciation of Scotland's history, heritage and stunning landscapes from the air. A range of itineraries are available. Prices are from just £130 per person with champagne and flight certificate included.

Managing Director Daniel Webster said : "We've made it easier than ever before this Christmas to purchase a voucher from us. Everyone is busy and many gift experiences are bought online in this way. You are buying in the knowledge that it's also so easy to book a slot after you receive the gift. We hope to be the first choice in Scotland for those looking for a more adventurous gift."
