

Two homes left at Silver Glen

LAST CHANCE TO BUY A SIZZLING NEW SIDLAW AT SILVER GLEN

Final two Sidlaw villas available in first phase at Alva development

Buyers keen to acquire one of Allanwater Homes' newest house designs can still do so – with two Sidlaws remaining for sale in the first phase at Silver Glen.

Priced at £214,995, the Sidlaw offers three good sized double bedrooms, all with fitted wardrobes, and includes a master bedroom en-suite. It made its debut at Silver Glen back in April, and quickly proved to be a very popular addition to the Allanwater Homes portfolio.

Other features of the property are its spacious open plan kitchen/dining room, large lounge, and downstairs cloakroom leading off the hall.

“The Sidlaw represents excellent value for money, with so much included as standard, not least fitted wardrobes in all bedrooms,” said Sales Advisor Lynn McNair. “It’s also complete with our new Allanwater Homes specification which is one of the best around. We are including Rocha Sanitaryware, Zanussi Stainless Steel Appliances with an Induction Hob, a thermostatic shower, a stunning kitchen from Moore’s, and a monoblock driveway.”

“If you are in the market for a three bedroom home, you really can’t do better than the new Sidlaw,” added Lynn. “We don’t have any on release in this new second phase, so act quickly and secure one of the last two still available in phase one. I can advise on entry dates.”

Silver Glen has four and five bedroom detached villas from £217,995, with Arrochar three bedroom semi detached villas

from £178,995, and Cheviot three bedroom detached villas from £208,995.

All properties are complete with central heating, double glazing, and have a full 10 year Premier Guarantee Structural warranty. Well insulated homes, offering buyers reduced running costs, they are designed for the way families live today.

Features such as en-suite master bedrooms, well fitted kitchens with a selection of built in appliances, utility rooms, and downstairs cloakrooms are all to be found in the homes at Silver Glen.
