

Hibs renew relationship with Environmental Waste Controls

Hibs have renewed their relationship with Environmental Waste Controls (EWC) as the club's Official Waste Partner for a further three years.

EWC are a multiple award-winning waste and recycling management company and manage the waste at both Easter Road Stadium and the Hibernian Training Centre.

Stirling Scott, EWC's Commercial Manager, said of the extension of a successful partnership: "We are delighted to have extended our tie-up with Hibernian until at least August 2022.

"We are dedicated to offering an environmentally friendly way of managing waste and Hibernian share our goals.

“We will keep working to ensure Hibernian are as green as possible!”

Laura Montgomery, Hibernian’s Head of Sales & Sponsorship, added: “We are very happy to have EWC on board as our Official Waste Partner for another three years.

“As a club we’re committed to ensuring we are environmentally responsible and our relationship with EWC is key to that. We are grateful for their support.”
