

Hockey – squads confirmed for Super Series

Scottish Hockey have confirmed their squads for Super Series 2019 at Glasgow's National Hockey Centre on Friday 29 November, Saturday 30 November, and Sunday 1 December.

Edinburgh Lightning, Glasgow Thunder and Dundee Devils will compete and this year will see the first men's Super Series competition.

This follows last year's inaugural women's Super Series that saw Edinburgh Lightning come out on top.

The teams are roughly based on geographical allegiances with flexibility built in to ensure the best players are on view.

Players are all nominated by club coaches and a selection panel and some squads have more than 18 players listed because some players can only play on one of the days.

A spokesman said: "The series has been designed to bridge the gap between club and international hockey with Scotland's best hockey players staking a claim for a place in the Scotland set-up."
