

How many people can you get in a police box?

The Leith Walk Police Box is the place to be tomorrow evening at 5.00pm. They want to see how many people they can cram in there...

There is no current record in the Guinness Book of Records so Monty who owns the box and her team of volunteers are going to set one.

The former police box at Croall Place on Leith walk has been supporting community activity, entrepreneurs, creatives and campaigners by providing flexible and affordable space.

Past pop ups have included an ice cream shop, a 2 seater cinema, a book shop and an art gallery.
