

# **Speedway – Monarchs home highlights show date**

**Edinburgh Monarchs' Home Highlights Show is on Friday, November 29 at Edinburgh Napier University's Craiglockhart Campus. Tickets £5.**

The venue, commonly called "The Egg", was the home of our 2019 Season Launch Show but with a big difference on this occasion as there will be a bar.

Doors will open at 6:30pm ahead of the show at 7:30pm and the organisers say this is a fantastic modern venue with excellent viewing facilities.

The Home Highlights Show, as well as being a traditional close season social occasion and meeting point for all supporters, will also show some highlights of another season of exciting action from Armadale.

All remaining items of the club's 2019 range of bespoke souvenirs will be on sale along with the official 2020 Monarchs Calendar. It is priced at £10 with a donation from each sale made to Chest, Heart and Stroke Scotland in memory of the club's late photographer, Ron MacNeill.

The 2019 Home Highlights DVD will be available for the first time on the night, priced at £15 and the venue offers a spacious free car park and is also served by frequent Lothian Buses service numbers 4, 10, 27, 36 and 45.
