

# Tickets on sale now for Frozen 2 at Vue

**THE wait is over, as fans of Anna and Elsa can now get tickets for Disney's enchanting sequel Frozen 2, which is set to be released in Vue Edinburgh Omni and Vue Edinburgh Ocean on the 22<sup>nd</sup> November.**

The highly-anticipated hit musical will see the return of the Academy Award-winning team – directors Jennifer Lee and Chris Buck, producer Peter Del Vecho, and the vocal talents of Idina Menzel, Kristen Bell, Jonathan Groff and Josh Grad who voice Elsa, Anna, Kristoff and Olaf.

These adored characters embark on a dangerous journey to discover the secrets and origins of Elsa's magical powers, and will learn whether those powers are enough to save the kingdom of Arendelle, which is plagued by apocalyptic weather.

In the years since our last trip to the magical kingdom, the family favourite film has grown into a Broadway musical, and is set to become a fixture on London's West End scene next year.

Johnny Carr, Event Cinema Manager at Vue UK and Ireland, commented: "We are delighted to be hosting Disney's musical extravaganza Frozen 2, and with new characters, new songs and an exciting plot promised we are sure it will exceed all expectations. It has a huge fan following and so we are sure it will be hugely popular with families and friends alike.

"As always, we will be delivering the film through the best audio and sound quality available in big screen

entertainment.”

*Frozen 2* will be screened at Vue Edinburgh Omni and Vue Edinburgh Ocean from 22<sup>nd</sup> November.
