The Johnnie Walker Bothy Bar has opened its doors for the festive season and is a perfect location in the city centre to rest and enjoy a tipple this Christmas.

The bar will be serving up a host of delicious drinks all the way through to the new year.

You can choose from two fantastic highball serves, perfect for whisky lovers and novices alike. The classic Johnnie & Ginger combines the subtle smoky notes of Johnnie Walker Black Label with the warming spice of ginger, while the Johnnie & Elderflower provides a refreshing spin on Scotland's national drink.

It is a good excuse to try a hot toddy and the Johnnie Walker Bothy Bar will also be serving up two warming options : the Johnnie Walker Hot Apple Toddy and the Blood Orange Hot Toddy. With fruity flavours and gentle citrus spice perfectly paired with the whisky, both make for a fitting night cap – guaranteed to keep the cold at bay.

Transformed into a traditional winter lodge, The Johnnie Walker Bothy Bar is complete with fairy lights, a toasty fire and cosy nooks, making it a great place to celebrate with friends this Christmas.

The Johnnie Walker Bothy Bar is open until 4 January 2020, serving from 10.00am – 10.00pm daily.
