#GE2019 Labour have a promise of real change

Richard Leonard the Scottish Labour leader joined Labour leader Jeremy Corbyn in Glasgow this morning — so early it was still dark.

Their message is quite simple. Real change in many areas including child poverty which they promise to eliminate. Jeremy Corbyn urged his supporters to vote Labour to get rid of the Tories.

As we don't have any of our own photos or video to publish we turned to Twitter :

Edinburgh North and Leith candidate Gordon Munro has this message :

Tomorrow, you have the opportunity to deliver [#RealChange](#).

Let's tackle poverty and inequality, and elect a government that works [#ForTheMany](#)
