

The Centre celebrates record numbers of shoppers

The Centre, Livingston celebrated a record footfall of nearly 17 million shoppers this year, the largest since it opened 45 years ago, with more and more customers descending on the mall to get last minute bargains in the lead up to Christmas.

The mall has over 160 stores including M&S, Superdry and Topshop and over 20 places to eat and the owners believe the centre has it all wrapped up at this time of year with everything under one roof, including a place to take time out with the kids and have fun at Aerial Adventures.
