

TODAY – last day of Poolside pop up exhibition

Today is the last day to see the exhibition by Edinburgh photographer Soo Burnell of her stunning photos of swimming pools.

She said that there is nowhere like Edinburgh where so many of

the old swimming pools are still open.

The exhibition ends today. If you can't make it along then have a look at the photographs [here](#).

Exhibition at Space at 17 on St Stephen Street EH3 5AN
