

At Usher Hall this week – Lighthouse Family

Lighthouse Family, one of the most successful bands of the late 90s and the early 21st century return with a new studio album after a gap of 18 years.

'Blue Sky In Your Head' will be released on 5 July 2020 on Polydor and includes 'Essentials', all the bands classic songs remastered for the very first time to celebrate their 25-year recording history.

'Blue Sky In Your Head' contains the singles 'Light On' and 'My Salvation,' lushly melodic tracks every bit as good as you'd expect from the band that produced the timeless hits 'Lifted', 'High', and 'Ocean Drive', which are all included on 'Essentials'.

'Blue Sky In Your Head' is Lighthouse Family's fourth album, and they are back on Polydor Records, their original label, and reunited with Colin Barlow, the A&R who discovered them, and Keith Armstrong, their first manager.

This is the same team who accompanied them when they were at their FM Radio-dominating peak.

After a tour this year which includes the Usher Hall on Thursday 20 February 2020 Lighthouse Family will appear at Radio 2's Proms In The Park in Hyde Park on 14 September 2020.
