It is National Care Day 2020 – drop in at The Hub

Today is National Care Day 2020 and you can drop in to The Hub at 249 High Street to celebrate the day.

Care Day aims to:

- **Celebrate:** Shift public attitudes on Care Experienced people's lives.
- **Connect:** Bring together the Care Experienced community with their allies and corporate parents to talk about how we can ensure Care Experienced people get the love, rights and relationships they deserve.
- **Communicate:** Motivate the Care Experienced community, their allies and corporate parents to share their celebrations, show their commitments and ignite discussion.

THE HUB FOR SUCCESS

Helping those with care experience to get in, stay in, and return to education.
