

People's Postcode Lottery – and the winners are in Edinburgh

Ten people in Edinburgh are celebrating today after winning £1,000 each thanks to their lucky postcode.

Neighbours in Rannoch Place neighbours got a windfall when EH4 7HH was announced as a Daily Prize winner with People's Postcode Lottery today.

People's Postcode Lottery ambassador Danyl Johnson sent his congratulations to the winners. He said: "What a fantastic way to kickstart the weekend! I'm sure our winners will be out celebrating tonight."

A minimum of 32% of ticket sales goes directly to charities and players of People's Postcode Lottery have raised over £500 million to date for thousands of good causes in Britain and beyond.

This draw was promoted by Woodland Trust which has received over £11.8 million in funding from the players of People's Postcode Lottery. It is the UK's leading woodland conservation charity, owning over 1,000 different woods across the country. These woods support a wide range of plants and wildlife and attract thousands of visitors each year.

Many good causes close to the winners have also benefitted from players' support, and local charities can next apply for funding in August.
