

Weather thwarts Hearts crucial game

**Hearts crucial Ladbrokes
Premiership game with St Mirren
tonight has been postponed due to
the pitch at the Simple Digital
Arena being waterlogged.**

Heavy rain in Paisley, which has seen parts of the town flooded, put paid to any chance of the game going ahead. Hearts will announce the new date for the potential six pointer – Daniel Stendel’s men could have drawn level with the Buddies in the league had they won – in due course.
