

# LIVE UPDATES – coronavirus news

**This article will run live from Monday to Friday 16 to 20 March 2020. We will update it with news related to coronavirus derived from primary sources, as and when we get it.**

We hope you find it useful. Please feel free to comment and add any questions.

We attend government media briefings when we can and may get the opportunity to put these questions to the Chief Medical Officer, the Health Secretary or the First Minister as appropriate.
