

Takeaway service introduced at Boardwalk Beach Club

Boardwalk Beach Club at Silverknowes Promenade will bring you a cup of coffee to your car.

They will stop using their indoor and outdoor seating areas for now, but have introduced a new Order – Cardpay – Collect system with card only payment at the top of the ramp.

The new system is designed to keep both customers and their staff safe. They ask those waiting for service to queue 1 to 2 metres apart up the entrance ramp.

The promenade is a good place to take the air for a walk and now you can get your coffee, tea or hot chocolate to go.

Boardwalk Beach Club remains open Wednesday to Sunday 10am to 4pm (and 5pm weekends).

Owner Ed Tait said: “We would love to see you on Silverknowes Promenade for some fresh, salty sea air and healthy walks and hope you can join us for takeaway tea, hot chocolates, coffee, cakes, traybakes, hot rolls, hot dogs, hot soups, ice creams, cold drinks and crisps.

“Walking for great mental health wellbeing is so important during these unprecedented times.”
