

Coronavirus – this scarecrow is taking no chances....

Photographer, Ian Jacobs, who is more used to being out and about at football matches is taking his daily stroll just like the rest of us.

He came across this exceptionally stylish scarecrow in the Restalrig allotments on yesterday's walk.

Clearly even scarecrows are taking no chances when up against coronavirus! Do tell us about any of the sights you see in Edinburgh while out for your constitutional.

Covid-19 – Restalrig railway path, Edinburgh. 03.04.2020. Pic shows: In Leith, Edinburgh, even the scarecrows in the allotments are not only stylish but wearing protective masks. Credit: Ian Jacobs
