

# Council looking after the under-fives

Between today and tomorrow The City of Edinburgh Council is delivering 310 essential food parcels to a list of children who they know are in most need.

The box includes fruit, vegetables, rice, pasta and bread.

But there are also other goodies in there, like free activity packs courtesy of Smart Play Network (Scotland), and an Easter egg from George Anderson and Sons.

*300 essential food parcels ready for delivery over next 48 hours to identified children, aged under 5, in most need – includes leaflet for free activity packs [@SmartPlayNtwrk](#) + Easter egg ☺☺ big ☺ [@GAnderson\\_10](#) [#AllTogetherEdinburgh](#) [#coronavirus](#) [pic.twitter.com/xwp0FWQmfV](https://pic.twitter.com/xwp0FWQmfV)*
